

# VA Nebraska-Western Iowa Health Care System (NWIHCS) Primary Care Nurse Practitioner Residency Program

The VA in Omaha, in partnership with the University of Nebraska College of Nursing, is happy to announce it has been approved to have a Nurse Practitioner Residency Program. We would love to have you as one of the two APRNs to be a part of this program.

For more information please contact the  
Program Coordinator Patricia Hotaling.

Application information details on the NWI website:

## ABOUT THE 2020 NPR PROGRAM

- The rotation is from 3 August 2020 - 30 July 2021.
- This is a year-long residency program (2080 hrs. of training).
- Two graduate students that have successfully graduated from an accredited College of Nursing Program will be admitted into the program.
- The positions are open to those with AGPCNP and FNP preparations.
- Recent graduate within the past 12 months and will be serving in his or her 1st NP role.
- The program will satisfy the Nebraska Board of Nursing 2,000 hour Transition to Practice agreement requirement.
- Each resident will have rotations in specialty medicine clinics.
- 80/20 clinic/didactic blend.
- Your supervisor will be the Program Director.
- You may be asked to work some evenings and weekends.
- As a resident, you will receive paid training stipend.
- Residents accrue 4 hours of vacation time and 4 hours of sick time per 2 weeks.
- Your primary assignment will be based at the Omaha VA.
